# Early Indicators

# Early Indicators for DISCOVER Milestones

Indicator Achieved	General Metrics	Target	Actual
Confidence Level Scores (Scores 4-5 of 5 in survey) in Milestones 1-3	Learner surveys at the end of milestones	Goal %	Actual %
High Impact Moments Achieved in Milestones 1-3	GRIT completion, Tags added, ID Page level of completion, Assignments completed, File Uploads	Goal %	Actual %
Quiz Scores (60% or higher) in Milestones 1-3	Quizzes at the end of milestones 1-3	Goal %	Actual %

# Early Indicators for DEVELOP Milestones

Indicator Achieved	General Metrics	Target	Actual
Confidence Level Scores (Scores 4-5 of 5 in survey) in Milestones 4-6	Learner surveys at the end of milestones 4-6	Goal %	Actual %
High Impact Moments Achieved in Milestones 4-6	Tags added, ID Page level of completion, Assignments completed, File Uploads	Goal %	Actual %
Quiz Scores (60% or higher) in Milestones 4-6	Quizzes at the end of milestones 4-6	Goal %	Actual %

# Early Indicators of DEMONSTRATE Milestone

Indicator Achieved	General Metrics	Target	Actual
Confidence Level Scores (Scores 4-5 of 5 in survey) in Milestones 7-10	Learner surveys at the end of milestones 7-10	Goal %	Actual %
High Impact Moments Achieved in Milestones 7-10	GRIT completion/score, Badges completed & claimed, Tags added, ID Page fully completed, Assignments completed, File Uploads	Goal %	Actual %
Quiz Scores (60% or higher) in Milestones 7-10	Quizzes at the end of milestones 7-10	Goal %	Actual %

# Learner Outcomes & Overview of Activity

- Efficacy Mission: Help people make progress in their lives through learning by designing for and measuring impact on learner outcomes
- Learner Outcomes: a measurable impact on someone's life because of engagement in the learning process
- Purpose of Learner Outcomes: defined learner outcomes support outcomes-focused product development

# Learner Outcomes & Overview of Activity

- Important to keep in mind:
  - If we can validate progress on learner outcomes than we're also validating each product's value proposition
  - If your learner outcomes are deeply embedded in your team's work, then every decision is focused on delivering learning value which will help achieve product KPIs!

ALWAYS LEARNING
